

## **Come and Go With Me**

### **All:**

Come and go with me  
To my Father's house, to my Father's house.  
Come and go with me  
To my Father's house, to my Father's house.  
They'll be no diein' there  
They'll be no cryin' there.  
Come and go with me  
To my Father's house, to my Father's house.

### **Solo:**

They'll be no diein' there  
They'll be no cryin' there.  
Come and go with me  
To my Father's house.
