

I REST IN YOU

Norman Hutchins

Solo:

I rest in you
In your arms I am safe from all harm
There's not an hour you're not there
I am resting in your tender loving care
I rest in you, I rest in you, I rest in you

I hope in you
Your word is true. You're the same yesterday, forever more
And in times of trouble you're always there
I am resting in your tender loving care
I hope in you, Lord I hope in you, Lord I hope in you

I am standing on your promises
I believe every word you say is true
That's why I'm resting in you

I trust in you with my heart
You're the only friend I know won't let me down
You know me well; better than anyone else
Still you love me in spite of myself
So I trust in you, Lord I trust in you, My Lord I trust in you
Yes, I trust in you, Lord I trust in you
I am standing on your promises

I believe every word you say is true

(tutti)

That's why I'm trusting
that's why I'm hoping
that's why I'm resting in you

Solo:

I don't care what's going on
And when things seem to go wrong
With my faith I can be strong
And trust in you

(Tutti)

I don't care what's going on
And when things seem to go wrong
With my faith I can be strong
And trust in you

(Modulate up) (2x)

Solo:

I am standing on your promises
I believe every word you say is true
That's why I'm trusting
that's why I'm hoping, that's why I'm resting in you
