

Thank You For Today

Solo:

Lord, I don't know what to say;
Sometimes it hurts too much to pray.
[Ooooh (Sopranos and Altos only)]
But still, I know you are the way,
So I praise your name.

Lord, I know I'm to be used.
Sometimes, things get me so confused
[Ooooh (Sopranos and Altos only)]
And when I think that even you were falsely accused,
I just praise your name.

[All: Ahhhh....Ahhhh]
You've never done me wrong.
Your love has kept me strong.
What more can I say?
Jesus you are the way.
And for nothing else,
I thank you for today!
(Go to top, repeat all)
