

A Good Day

Solo: It's been a good day

All: I thank God for it

Solo: It has been a good day

All: I thank God for it

Solo: I've had some heartaches and pain, a little sunshine and rain
Some ups, some downs, some smiles and some frowns

All: Ah-ah-ah (4x) Good day.

But its been a good day! (yes, thank you Lord)

All: Good day.

Solo: It's been a good day, yes it has

ALL: (I've got my) health and strength, and I know that I'm his child.

Solo: It's been a good day

All: I thank God for it

Solo: It has been a good day

All: I thank God for it

Solo: I've been lied on and cheated, talked about and mistreated,
Up and down, had some smiles, had some frowns

All: Good day.

But its been a good day! (yes, thank you Lord)

All: Good day.

Solo: It's been a good day, yes it has

ALL: (I've got my) health and strength, and I know that I'm his child.

All: We should be grateful for all that he gives us.

We should be grateful that He's let us see a brand new day.

(2x)

Solo: I just wanta take a little time to thank God for it.

All: I thank god for it! (4x)

All: I've got my health and strength, and I know that I'm his child. (*vamp last line*)
