

Turn It Over To Jesus

(Performed by The Georgia Mass Choir)

Chorus

Turn it over to Jesus

He can work it out.

(3x)

He can, He can...work it out

(2x)

(Repeat from top)

Lead/Solo

That problem that I had,

I just couldn't seem to solve

I tried and I tried

But I just got deeper involved

Well I turned it over to Jesus

I stopped worrying about it

He can, He can...work it out

He can, He can...work it out

(Chorus)

Lead/Solo

That pain that would not move

I had to take to the upper room

Those burdens that I bore

I said, "Lord, how much more?"

Well I turned it over to Jesus

I stopped worrying about it.

He can, He can...work it out

He can, He can...work it out

(Chorus - follow lead)
