

I Was In Distress

All:

I was in distress, no one to defend me.
Seems like all my enemies they'd turned my friends against me.
Fell down on my knees, I cried, "Lord won't you come and see about me..."
And the Lord, God heard my cry.
(Repeat 2 times)

Call/Response, soloist leads:

He heard my cry [*he heard my cry*]
(Repeat 4 times)

All:

Picked me up, turned me round,
Placed my feet on solid ground.
And the Lord, God heard my cry.

He heard my cry [*he heard my cry*]
(Repeat 4 times)

All:

Picked me up, turned me round,
Placed my feet on solid ground.
When dark trials blocked my way,
Turned my midnight into day.
I was sick, couldn't get well.
Touched my body now I can tell.

Call/Response, soloist leads:

Oh Lord [*hear my cry!*]
(Repeat 6 times)

Ooh-ooh-ooh, he heard my cry!
