

I'll Never Stop Praising The Lord

All:

Oh I'll never stop praising the Lord.
Oh I'll never stop praising the Lord.
He brought me out of darkness
Into the marvelous light.
I'll never stop praising him
(Repeat 2 times)

Solo:

Now I am so grateful
For all my Lord has done for me.
He paid the price, yes he did,
Just to save a sinner like me
When no one else was around
He just came from heaven down;
And I made up my mind that I'll never.
I'll never stop praising him!

All:

Oh I'll never stop praising the Lord.
Oh I'll never stop praising the Lord.
He brought me out of darkness
Into the marvelous light.
I'll never stop praising him

Solo:

Now I can't stop lifting him up,
He's be better than good to me
He fought my every battle,
And my sinful soul he set free.
You can always depend on him
When everything else looks dim;
I'll never, I'll never, I'll never stop praising him.

All:

Oh I'll never stop praising the Lord.
Oh I'll never stop praising the Lord.
He brought me out of darkness
Into the marvelous light.
I'll never stop praising him

Can not stop...gotta keep goin', goin'...
