

JOYFUL VOICES OF INSPIRATION (a work in progress)

*Inspired and dedicated to the voices who brings joy each Monday night!
Music and Lyrics by Donnell Patterson - 2013

Solo1: There is need for a voice,
A voice to tell the world there is a choice
You can be mad and you can be sad
Or you can be happy and glad!

Chorus: (We are that voice) Joyful voices of inspiration x3

Solo 2: We come in peace, with the joy of the Lord,
Come to inspire and to lift Him higher
We are the voice crying in the wilderness
Singing the gospel, at our very best

Chorus: (We are that voice) Joyful voices of inspiration x3

Bridge: Joyful, Joyful (repeat)

Static Bridge: Joyful (only tenors move)

Vamp:

Altos: Joyful voices of inspiration (keep rolling)

Sopranos: Of inspiration! (once in, alternate entrance)

Tenors: We are that voice, we are that voice, voice of inspiration!
