

WHAT A TIME

Kevin Bond

Re-revised 04-11-07

What a time when we all get to Heaven
What a time, what a time, what a time
When the saints of God are gathered round the throne
(Oh what a time), time, what a time that will be. **(repeat)**

We'll be singin', prai-ses ringin'
Saints rejoicin', up in glory, forevermore-----
(Oh what a time), time, what a time that will be. **(repeat)**

CHORUS (*remember 4x – 2x – 2x*)

We're gonna have a time, when we all get to Heaven
We're gonna have a time, we're gonna have a ... good time
(repeat 3 times more [4 times in total]...)

then take it up and do it two more times

We're gonna have a time...
We're gonna have a time... we're gonna have a ... good time
(repeat again – 2 times in total)

In turn...SOP (1x)...ALTO (1x)...TENOR (1x)...BASS (1x)...TUTTI (2x)

We're gonna have a time, when we all get to Heaven
We're gonna have a time, we're gonna have a ... good time

(James calls out “Time”)

We're gonna have a time...
We're gonna have a time...
We're gonna have a time...
We're gonna have a time...

When the saints of god are gathered round the throne
When the saints of god are gathered round the throne
When the saints of god are gathered round the throne
(Oh what a time), time, what a time
(Oh what a time), time, what a time
(Oh what a time), time, what a time that will be.
